The After Shave is just one word: unique.

Packaged in a roller ball, this post-shave must-have conveniently rolls onto skin with our special blend of essential oils and fractionated coconut oil that is masterfully crafted to leave your face free of razor burn and post-shave discomfort.

Ingredients:

- **Coconut Oil** (Cocos Nucifera) - Saturated fats help skin stay moisturized.
- **Tea Tree Oil** (Melaleuca Alternifolia) - As a natural anti-septic, this essential oil treats acne and fights infections.
- **Sandalwood Oil** (Santalum Album) - Contains anti-aging properties, cures skin imperfections, elevates mood, and treats redness/rosacea.
- **Cedarwood Oil** (Cedrus Atlantica) - A calming mood elevator.

Quick Tip: **The After Shave** works well as a mustache and beard oil.
