

## Full Service Custom Manufacturing

Complete manufacturing of vitamins and supplements from start to finish.

## What Do We Do?

**Vitamins. Supplements. And so, so much more.**

We have been providing quality vitamin and supplement manufacturing to our clients since 1977. For the past 40 years, we have maintained our dedication to offer all of our clients the highest level of customer service and care. Whether you are a small, family owned business or an international corporation, our scalable team is committed to manufacturing cost-effective, market-leading products in all distribution channels.

We provide distribution in retail, direct sales, direct-to-consumer, professional lines, television sales, and direct response television and radio.

2,000  
new products  
every year.

Clients in  
more than  
75 countries  
worldwide.
