- **PERFECT FOR BEGINNERS:** These ski goggles are perfect for beginners. They're solid and durable, yet one of the most affordable options on the market.
- **ANTI-FOG AND EYE PROTECTION:** An anti-fog inner coating and UV400 lens (on the non-clear lenses) make sure you can see crystal clearly.
- **HELMET COMPATIBLE:** These goggles will fit perfectly with your helmet. Adjust them to the size of your noggin, whether you're a 10-year-old bombing down the slopes on one ski (or wish you were) or a 7'6 man with an Einstein-sized noggin.
- **INCLUDES CARRY POUCH:** Included with your purchase is a microfiber carry pouch that doubles as a lens wipe.
