Don't let the cute lipstick design fool you. The silver lipstick container disguises a canister of REAPER spray. The lipstick sized can shoots up to 10 feet (twice the range of competitors) stopping an assailant. There is no brand on the product, so it will look like an ordinary lipstick until you empty its contents on pepper sprays that look like this... but don't be fooled. You want the REAPER™ version which includes brand pepper spray.

In order to offer such low prices on name brand product we manufacture and ship in bulk, which means we ship the items in a sealed bag with REAPER™ user instructions.

- **HOTTEST** : 10% Police Strength OC Pepper Formula - Oleoresin Capsicum is a naturally occurring pepper
- **UV DYE** : leaves an invisible marker on a target, which may help law-enforcement identify an attacker
- **STREAM SPRAY** : best for long distance and easy to aim
- **10 SECOND PAYLOAD +** : Up to 5 bursts of 2-3 seconds each (but you should empty the whole canister)
- **LONG RANGE** : Sprays up to 10-feet - twice as long as competitors
- **KEY RING** : Add this pepper spray to your keys and have it with you as an every day carry item
- **BULK PACKAGED** : Does not include retail packaging, ships in a sealed shipper bag from REAPER™
