Our Mission

The Society for Prevention Research is an organization dedicated to advancing scientific investigation on the etiology and prevention of social, physical and mental health and academic problems and on the translation of that information to promote health and well being.

The multi-disciplinary membership of SPR is international and includes scientists, practitioners, advocates, administrators, and policymakers who value the conduct and dissemination of prevention science worldwide.

Contact Us

For questions, please contact SPR National Office at 703-934-4850, info@preventionresearch.org.

Annual Meeting

Mark your calendars to attend the most important prevention science conference—the Society for Prevention Research (SPR) 27th Annual Meeting that will be held in San Francisco, CA, May 28-31, 2019, at the Hyatt Regency San Francisco.

This year's theme is "Prevention Science in a Big Data World."
