The Fountain Magazine

March 15 · 🌐

The human oscillates between their superior-than-angel capacity and a monster. Imagined claims of racist superiority, which considers human dignity to be exclusive, is key in this failure. As we mourn and pray for the victims, let us do our best to make our angelic qualities overcome the evil and claim our innate human honor. And let us do so without indiscriminate accusations. We have so many friends out there who stand by our side. #ChristchurchMosqueAttack
