Pay by Credit Card - Immediate Download

By clicking on "Finish Order" you agree to the [PixelMill Terms of Use Agreement](#).

What happens when I click "Finish Order"?

When you click "Finish Order," your credit card will be charged the amount below. If transaction goes through, you will be emailed a receipt and can immediately download products from your account. There will be an online printable receipt for your convenience.

*Immediate download note:

In an effort to protect our customers and the products in our store from fraudulent purchases we have instituted a fraud screening system. This fraud screen rates transactions using a number of factors. On rare occasions, a customer's billing information may cause an order to be placed on hold. PixelMill staff will review these orders and respond to you by email within 12-36 hours with instructions on how to download your product.

In all other cases, you will be able to immediately download your product after submitting our payment.

Review your order and click the Finish Order button if all information is correct.
