

## F-144R Enviro-Green Cleaner/Degreaser (Ready-to-Use)

**F-144R is a ready to use product that works amazingly fast to remove grease, heavy soils, food, fingerprints, and other difficult stains from virtually any washable hard surface. Enviro-Green is equally effective on petroleum-based soils and organic oils and greases. Even the toughest jobs are no match for Enviro-Green. Apply the product with trigger sprayer, allow a brief soak time, and wipe with cloth, paper towel, or rinse. F-144R Enviro-Green is also solvent-free, biodegradable, safe for the user, and painted surfaces at the ready-to-use strength.**

- Specific Gravity 1.01 gm/c3
- pH of 1% Solution 9.2
- Weight / Gallon 8.5
- Viscosity <100 CPS
- Percent Solids <5% @ 20C
- Foam Height Low
- Flash Point None
- Appearance Clear Green Liquid
- Odor Slight Aroma
- Standard Dilution Ratio RTU

Available Units:

- Quart
- Gallon
