INTEGRATED DATA ENVIRONMENT

Knoema Professional enables users to stop researching across the web for reports and sources everytime they need data. Users can use our intelligent search to explore the world's data and discover related data.

VISUALIZE AND COMMUNICATE

Visualize data on maps or graphs, save groups of visualizations to dashboards for monitoring and analysis, and easily export data into multiple formats. Visualizations automatically update as data is released, so you can simply export a new version or embed live charts to help drive decisions and update other stakeholders.
