

Specially Formulated

AMERICAN CAR CRAFT

MetaGlaze

HIGH POLISHED STAINLESS STEEL DRESSING

DIRECTIONS: Shake well before using. Spray a liberal amount of MetaGlaze onto a good quality micro fiber cloth. Wipe onto your clean high polished stainless steel and simply wipe off. MetaGlaze will create a beautiful show quality luster to the surface with a minimal effort. Do not spray directly to your stainless as this will cause excessive wiping. Do not attempt to glaze your stainless if it is dirty. MetaGlaze is not intended as a cleaner. MetaGlaze is not recommended for brushed stainless. MetaGlaze will work well for all polished metal surfaces.

CAUTION: COMBUSTIBLE! Harmful or fatal if swallowed. Keep away from any source of heat, sparks, pilot light, static electricity, and open flame. Do not reuse this container for any other material. Contains petroleum distillates. **KEEP OUT OF REACH OF CHILDREN**

FIRST AID: Eyes - If splashed in eyes, rinse with water for 15 minutes. Call a physician if irritation persists. Skin - In case of skin contact, remove contaminated clothing and wash skin with soap and water. Inhalation - Use with adequate ventilation. Ingestion - If ingested DO NOT induce vomiting. Call a physician immediately.

**Creates A
Beautiful
Show Finish!**
