SOGO'S ADVANCED TRADING TECHNOLOGY

TRADING PLATFORMS

Once you know how to invest in stocks, SogoTrade's online trading platforms make it easy to buy or sell stocks and options from whichever sort of computer or touch-screen device you choose to use. SogoTrade makes it easy and inexpensive to invest money online. Whether you choose to use only one trading platform that we offer, or several, we strive to offer the best online trading platforms in the industry

TRADE IDEAS

From the Morning Call Newsletter to our SogoPlay options tool, we provide a variety of market research and trading ideas to help you achieve your financial goals. Learn more about our trade idea tools!

OPTIONS TRADING

SgoOptions is a customizable and powerful option trading platform. Some of the features include:

- Low "per contract" commission fee
- Paying only one base rate for multi-legged orders
- Streaming quotes, powerful analysis & risk management tools
- Clear display of the risk and reward of a trade.

And, check out SogoPlay, our new trading tool that fully integrates with the SgoOptions platform. Some highlights:

- Generate daily equity & option trading ideas
- Take the complexity out of option trading
- Complement equity ideas with option plays.

CUSTOMER SERVICE

Whether you want phone support or online answers, you'll always find the level of support you need. Our well-trained and courteous staff is prepared to provide prompt assistance via Live Chat, phone or email. Help tools have been integrated into our platforms for your convenience.

Talk with our knowledgeable specialists to place a trade, ask questions regarding a particular trade or have general questions about equities and exchange-traded funds (ETFs), retirement accounts or trading.

Our real value is providing the help and support you need to achieve your investing and trading goals. Please contact SogoTrade if you have any questions.
