SOGO'S ADVANCED TRADING TECHNOLOGY

TRADING PLATFORMS

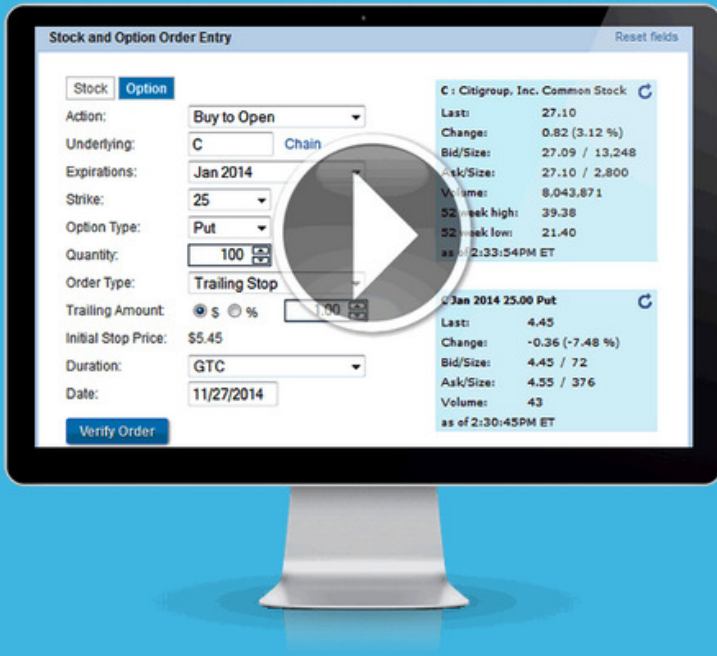

Once you know how to invest in stocks, SogoTrade's online trading platforms make it easy to buy or sell stocks and options from whichever sort of computer or touch-screen device you choose to use. SogoTrade makes it easy and inexpensive to invest money online. Whether you choose to use only one trading platform that we offer, or several, we strive to offer the best online trading platforms in the industry

SOGOONLINE

Fast, simple and powerful, SogoOnline trading is an all-in-one platform for stocks, exchange-traded funds (ETFs) and options. You can make online trades conveniently and quickly using our state-of-the-art online trading platform. If you are looking to open an online trading account with a discount stock brokerage, take a look at other online trading sites, and we're confident you will utilize Sogotrader for your online trades.

- ✓ Easy-to-use online trading platform
- ✓ All-in-one stocks & options trading
- ✓ Powerful trading technology
- ✓ Quality executions
- ✓ Intuitive design

SOGOTRADER

A fully customizable platform with leading technologies including streaming quotes, providing the tools and controls traders need to get an extra edge in the markets.

- ✓ Flexible Order Entry
- ✓ Interactive Chart
- ✓ Real-time Streaming Quotes
- ✓ Extended Hours Trading
- ✓ Fast & Quality Execution

FOR THE ADVANCED OPTIONS TRADER

SOGOOPTIONS

Customizable and powerful option trading platform especially for the options trader. Streaming quotes, powerful analysis & risk management with fast execution in a highly-configurable platform. View options quotes, market data, as well as analyze strategies and execute your trade in your own way. Compare the SogoOptions platform to other options trading platforms, and you will see why SogoTrade is the right choice.

LEARN MORE

SOGOMOBILE

SogoMobile is a browser based mobile trading platform. We built it specifically for all of our customers who want to utilize browser based mobile trading on any smart phone, tablet or any internet enabled mobile device. It is a fast-trading platform that takes advantage of the functionality and user friendly characteristics you've grown accustomed to on the SogoTrade equity platform.

SOGOTRADE API

Trade the way you want! Now, you can connect directly to SogoTrade through our new, powerful Application Programming Interface (API). Build your own trading app, access your account data, view market data, and more! SogoTrade's API makes it easy to build innovative applications.
