L-CARNITINE 500

Available in capsules and liquid.

L-Carnitine is a non-essential amino acid that supports transport of long chain fatty acids into the cells where they are converted into energy.* L-Carnitine is also suggested to support endurance and power levels, making it a core part of building a lean physique.*

L-CARNITINE 500™

Military Discount

[Click here for promo code](#)

A banner featuring a man in a military uniform on the left and a red button with white text on the right.
