NEXGEN Premium Ceramic Spray

Directions:

Only apply to a cool surface, do not apply in direct sunlight or to hot surfaces.

- 1) Shake well before using
- 2) Ensure surface is clean and dry before applying
- 3) Lightly mist the ceramic spray onto individual body panels of the car and use a clean microfiber towel to rub the spray in (some haziness may occur) flip towel over and lightly polish to a high gloss. If any haziness is still present redo the panel.

WARNING: DO NOT get in eyes or swallow product. Use good hygiene practices.

Wash hands after using this product. Keep away from heat and flame. Store in a cool area.

EYE CONTACT: Flush immediately with large amounts of clean water for at least 15 minutes.

Eyes should be held away from the eyeball to ensure thorough rinsing.

If any irritation persists, seek medical attention immediately.

Seek medical attention if you have any redness or irritation caused by using the product.

INHALATION: If breathing is difficult or irritation, move to a fresh area immediately. If symptoms persist, get medical attention.

INGESTION: Get medical attention, DO NOT induce vomiting unless directed by medical personnel.
