

AN AWARD WINNING TEAM

BVO Luxury Group is an entirely different breed in real estate service. Our team is a well-oiled machine with an impressive pedigree with over 20 years of real estate experience. The skill and competency level of our team has been elevated over the years through the navigation of countless hours of negotiations. Collectively, we have orchestrated thousands of real estate transactions. Andrew and David lead the team with the highest standards in the industry, evidenced by their numerous accolades and recognition by The National Association of REALTORS®.

At the end of the day, there is no substitute for good, old-fashioned experience. Through the highs and the lows of the housing market, we have consistently remained the leader and proven ourselves to be a cut above the rest. Our years of experience and expertise helps us to better serve our customers by providing a level of perspective and guidance that cannot be matched. We have assisted our clients in making appropriate financial and life decisions based on their goals and objectives with considerations to the current real estate market. Our knowledge of construction, build, design and our extensive network of vendor associates have made us the "go to" advisors for every one of our customers and their referrals.

We have proudly assembled a team of top-notch real estate professionals ensuring that sellers receive top dollar for their homes in record time and that buyers find the perfect place to call home within their budget. Our team of specialists will help you buy or sell a home in one of Arizona's most desirable communities.
