Come To Our Parish Lenten Mission!

Fr. Michael Denk presents

“Prayer: An App for That!”

All are invited to come to our Parish Lenten Mission being held on March 1-3 from 7-8 p.m. here at Saint Joseph Church in Amherst. The Mission, presented by Fr. Michael Denk, will focus on deepening your prayer life with God and will introduce a new and innovative way to pray. Each night of the 3 part Mission will build on the teachings of the previous day. The best part is that the Mission is FREE! So come with family & friends and be prepared to experience

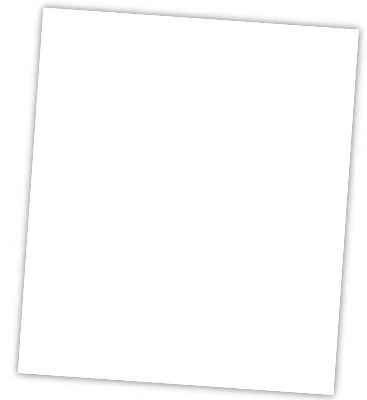

your relationship with God in a whole new way! For questions or more information, please call the Saint Joseph Parish Office at (440) 988-2848.

Don't have or use a smart phone or electronic device? Don't worry, this Mission is for EVERYBODY!
