

## Mass Book Mailing

We love moving a lot of books at once, even if that means sending them individually to many hundreds or even thousands of different addresses. We excel at those kinds of all-hands-on-deck, high-touch, customized orders and mass book mailings.

Do you have a client list you'd like to send individual copies of a book to for a book launch, corporate gift, or special event? Do you need each book customized or individualized before it leaves with a letter included or maybe a tip-in page added? We can help.

All you need to do is provide a clean list of recipients and select the shipment method you prefer, and we'll handle the rest.

(What does a "clean list" look like? [Download a list template](#) to get you started.)

### Various Shipping Options

We offer a range of shipping and packaging options to make your mailing go off without a hitch while keeping it on budget.

### Book Customization Available

Do you want to customize your books with a special message or include a letter to each individual on the mailing list? We've got you covered.

### Sales Data & Reporting

We can provide you with shipping and sales reports for your campaign, and we report all of our sales to The New York Times and NBD Bookscan.
