Just want to thank you again for the koino typed reading you did for me. I am encouraged, enlightened AND inspired. It is amazing how connected to each other, family, friends, as well as pointing me in the direction I need to follow. Even in times with the blue areas in which I was so upset for lack of a better term, it was conveyed with a sense of grace and being authentic. The work that you are doing in this our community is FRENCHMAN. I look forward to meeting and growing with you in future readings.

Having a karmic name reading by Rasekhi Arts Temple has been the most empowering thing I've ever done. Consulting
