

Visualize daily and change your whole life

Download Trust and start living the life you envision.

How it works

Trust is a free visualization app that helps you connect to your intention, describe your goal in realistic detail, and shape the life you want.

Gain clarity

Get inspired with templates. Read them aloud in your own voice.
Check in with how that feels for you and keep changing.

Focus the mind

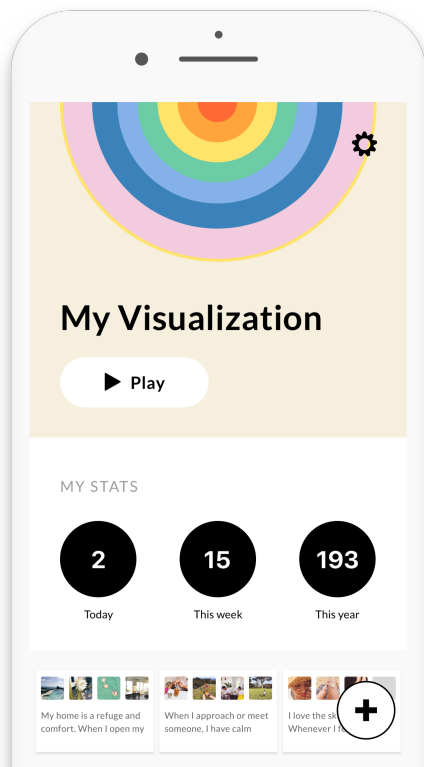

Daily visualizations help you stay focused. You will actually do in the real world what is necessary to achieve your work.

Remove limiting beliefs

Visualizing makes the brain believe your dreams are possible and real. Doubt leaves your thinking and is replaced by trust and calm.
