"Upstream is truly the most legit social product I've used in a long time. I find tremendous value here. Watch this space, it's going to be huge." - @erlepdashiva
Upstream is the best place to grow your professional community. Manage your community with ease using our unique moderator toolset. Understand your community's engagement and interactions with an... more

What's New

- Issues Fixed
- General app stability. The app should, hopefully, keep you signed in now.
 - App icon badge showing the wrong unread notifications count
 - Some profiles weren't showing bios
 - Minor styling changes

Like a better LinkedIn + Twitter + MeetUp ...
This app is amazing. I've been able to get help with so many different kinds of Asks both general and professional — completely changed the way I think about what a ... more

Amazing professional tool!
This app is incredible! Everyone is so helpful and it's great to be able to help others as well. I even got a job with the help of the amazing people on Upstream!

Amazing!
This has been an amazing community to tap into for recruiting. Everyone is super helpful and it almost feels like all candidates are pre-screened. Makes my life a lot easier so
