

About Us

Overview

American Mortgage Consultants (AMC), founded in 1996, is a leading nationwide due diligence and consulting services provider with services including, but not limited to:

- full credit
- compliance
- securitization
- collateral
- forensic/repurchase
- asset management
- portfolio surveillance
- originator or servicer operational reviews

AMC is a SSAE16 compliant firm that is an approved S&P RMBS third party review provider and our pre-securitization reviews meet the standards of Fitch Ratings, Moody's, DBRS, and Kroll Bond Ratings.

AMC's solutions are customizable and are catered toward clients including Wall Street, Regional, and Community Banks, Credit Unions, Government Agencies, public and private REITs, Hedge Funds, Private Equity Funds, Mortgage Insurers, Bond Insurers, and leading law firms nationwide. With a market leading team of mortgage professionals and a nationwide reach, AMC can create solutions for our clients both large and small.
