**Latest Updates and Info**

 **Welcome to RedSail Technologies™!**  
Our new parent company name reflects our confidence, sense of direction, and boldness to serve you, our customers, so you can serve your communities better. We aspire to realize our full potential by offering superior products and services that result in sustained performance, loyal customers, and passionately engaged employees. With capital investments from Francisco Partners, we're ready to change the game. We are RedSail Technologies! To [learn more](#), read CEO Kraig McEwen's opening letter.
