Additional Information

PRODUCT DESCRIPTION

After a lengthy span of silence, Armstrong is finally bringing big news to the table in the announcement of their most recent milestone. Their work has been diligent. Their rest has been little. Their creativity and patience has been tested. But they couldn't be happier with the culmination of it all-their new self-titled album.

Additional Information [PRODUCT DESCRIPTION](#)

It's a well known fact. The black t-shirt is a vital component in any hard rock band's merch line-up. Really, it just makes sense when you think about it: The music, itself, is dark in nature. Having a shirt to match is crucial. And as always, we don't
