ABOUT

Welcome to the magic of childhood and the world of **bella bliss®**. Born in the heart of the thoroughbred country, bella bliss® creates heirloom-quality pieces for the most discerning clientele. From retro-inspired prints to handmade knits and separates, we design collections that allow your children to play freely and express themselves with style and elegance. We source only the finest fabrics, including Peruvian Pima cotton, to keep your child feeling comfortable and looking smart. We understand that busy parents only have so much time, which is why almost every piece is machine washable unless otherwise noted. Because we create our own distinctive prints and timeless designs, you will only find them here. Curated pieces designed to make memories...with **bella bliss®**, every stitch has a story!
