Thank You!

Please accept our sincere thank you for allowing us to serve you in 2019. We are blessed to have so many customers like you.

We have been busy preparing for 2020, including some very strong product introductions in the works. We look forward to serving you as you deserve and expect.

We invite you to use any of our showrooms as a place to rest your feet, have a cup of coffee, and check emails. We'll be serving breakfast, a hot lunch, and hors d'oeuvres and cocktails in each of our showrooms as usual.

We'll continue to require lunch tickets, so that we can take better care of customers like you. See your representative if you need more tickets. No tickets needed for breakfast, happy hour, and between meals. Hope to see you at market!

Look! I stand at the door and knock. If you hear my voice and open the door,
I will come in, and we will share a meal together as friends.
