★★★★☆ Heavy duty item!!

Reviewed in the United States on January 15, 2020

Color: Black | **Verified Purchase**

This hook is so sturdy. Very thick metal construction and looks decent. Its folding function works well. But one thing is a defect which is the cause of 4 star review. That is, hook's inside edge (bottom part) should be shorter than now because when it is unfolded, the edge is over the line of the upper part which is held to the wall. So that edge scratches the wall.

Great value! I purchased for our new home to match the color theme and looks great. Good for bathrooms and closets. For light items such as hats or light jackets, I used 3M to install instead of using screws. For heavy items, using screws that come with the package. Easy to install. I bought 2pks and purchased 1pk again.

These hooks are great, especially for the price. They show the hooks used for hanging purses, robes, towels, etc. But we decided to try hanging our ladder on them. No problem at all. All screws are included, along with drywall anchors. I recommend these. They fold up when not in use.

The hooks are great. They fold into securely into a very compact design. I hand my scuba bag from one of them

with the screws shipped with the hooks, and it holds the weight no problem.

These hooks are very sleek, minimalistic looking and can easily fit one's home decor and not draw much attention to them. Strong, heavy duty hooks - can hold quite a few heavy coats. These smoothly fold up and not intrusive.

We were only able to use 3/6 as some would open with ease and others you'd have to rip apart which if it's on a wall or a door you'd take that down with it.
