Applied Systems Product and Services Agreement

Prepared by [Redacted]
5/15/2020

Since Applied Systems founding, our people and products have enabled our industry to safeguard and protect what matters most. We're not only helping agencies, brokerages and carriers run their business, we're also helping you fulfill the promises you make to your customers each and every day. It's a worthy purpose and one that will always be part of what we do.

LICENSE TERMS

- Recurring fees are not included in your total system purchase price. Monthly fees noted above are for products purchased on this Proposal and are in addition to fees currently being invoiced to Licensee. If applicable, the above recurring fees will be prorated to be coterminous with Licensee's current billing cycle. Licensee will be invoiced based on Applied's then current rate.
- This Schedule A (Proposal) is entered between the licensee entity ("Licensee") stated in the Acknowledgements section and, if Licensee is located in the United States, Applied Systems, Inc., or if Licensee is located in Canada, Applied Systems Canada, Inc. (respectively "Applied").
- NOTE: "This proposal is valid until 6/14/2020 unless stated otherwise. Prices listed do not include applicable sales tax, travel expenses, or shipping charges. Equipment specified is subject to change based on availability and pricing. Applied Systems reserves the right to replace components in this proposal with equipment of equivalent or greater value or performance. Upon execution, this Proposal is attached and incorporated into the Applied Systems Master Agreement, Master Agreement for Products and Services, Agreement for Purchase and Sale, Application Service Provider License Agreement, Applied Rater License Agreement, and/or Insurance Rating API Agreement, as applicable, and any accompanying schedules thereto, between Licensee/You and Applied (the "Agreement") as a Schedule A, Proposal, Order, or Change Order (as the case may be) to the Agreement. For the most current hardware guidelines, ask your sales representative for further details."
