- **SUPERIOR PROTECTION:** Efficiently filter out dust and allergens with these disposable masks for protection from Day 1 Fitness Designed with three layers of protection, our dust masks come in packs of 50, which is ideal for daily use
- **HIGHLY EFFICIENT:** Our masks have 3 levels of protection. The outer layer filters out dust, odors and large particles, while the key meltblown layer filters small particles The inner skin-care layer is a natural and anti-allergen filter
- **FIT ADJUSTMENTS:** (See Image 7 for fitting tips) This non-surgical face mask is designed with soft, non-woven material, making it comfortable to use every day Elastic ear loops included to easily fit all sizes
- **CONTOUR NOSE STRIP:** These masks include a contour nose strip to create a better fit Secure face mask with elastic ear loops, press gently on the nose strip to fit the shape of the nose and expand mask pleats to cover mouth and chin for best fit
- **DEPENDABLE QUALITY:** These breathable face masks are designed to keep you free of pollen, dust, haze and more We are confident that this face mask will give you the protection you need and offer a fully refunded 30-day return policy
