★★★★☆ **Bowls are great!**

Just as described and I have not had any of the issues with the lids that some reviewers have reported. All of the lids match and fit the bowls nice and snugly.

UPDATE: I have one lid that will not fit properly on the bowl (green lid and bowl) it pops off every time I attempt to push it on. One star removed for this but not worth returning the whole set over.

None of the lids fit. They pop up every time you try to close them. Which was an unpleasant surprise!

I like the bowls for mixing however the lid's don't fit tight if there is anything warm in them and some just don't fit tight at all.

☆☆☆☆ Not all the lids fit!

Reviewed in the United States on May 21, 2020

I love the bowls themselves and I love the color coded lids, but I found that even though they were supposed to be airtight, some of them would not fit! That is, I had to slit a hole on the top, to get three of them to fit! Disappointing to be messing around with a new set like that, but there was no other choice. They wouldn't mail me the three lids; I would have to return the whole box, which I had already thrown out. And on top of all, by the time they came, we were in the middle of the coronavirus and I wasn't about to leave the house for lids that should have fit and didn't! Disappointing to say the least.

These bowls are beautiful and the seal is great. If you need to store something you can and it will keep its freshness. Besides looking beautiful in my kitchen, they are sturdy and great sizes as well. The price is excellent for such great quality bowls. Thanks seller for a great product at a great price.

★★★★★ Perfect!

Quality stainless steel. Lids fit tight, and DON'T come off easily. Plastic on bottom prevents sliding on the countertop, VERY nice. Largest is almost TOO large, UNTIL you need it! Very happy with this choice, there were plenty of others, but can't ask for anything more suited to my kitchen.

I love these bowls except the lids won't completely close. You have to just sit them on top of the bowls.

I love these! The price is good and I've had no issues with them. I don't use them in the dishwasher just in case because of the rubber on the bottom of them, I don't want it to melt.
