- crani U shaped gel callus pads reduce foot and heel pain. Using these pads on the bottom of your feet are helpful to protect sensitive areas from socks and shoes against pressure.
- These callus cushions are made of medical grade gel. And they are self-stick, waterproof, reusable and only 1/8" thick so they are easy to remove. If you feel too thin, you can also apply several foam callus cushions at the same time.
- One size fits most and they fit most socks and shoes, like sneakers, high heels, boots, sandals and so on.
- Tear off callus cushions and hand wash with water when you do not use, but do not overstretch. Air dry, avoid direct sun.
