

MICRO KLEAN

HYGIENIC ALL-PURPOSE CLEANER

MICROKLEAN is a unique proprietary chemistry exclusively developed and sold by Norchem to clean and deodorize hard surfaces.

MICROKLEAN is a heavy duty hygienic all purpose cleaner that is more effective than home use retailer solutions

The **MICROKLEAN** advantage

MICROKLEAN is very effective in repelling soil and provides clean and fresh smells against malodors caused by microorganism, soil, blood, grease, food and medicine.

MICROKLEAN is designed for ready to use. The application consists of: spraying (non-food contact) surface, allow solution to settle for 15 seconds, wipe with towel.

MICROKLEAN minimizes the risk to humans and a provides hygienically clean environment.
