

The Masque
Corporation

BREATHE EASY

Protective face masks for medical and personal use.

Comfortable Cloth Masks

Sometimes you want to be comfortable. Cool, even. That doesn't mean you don't care, which is why these masks are made of soft fabric, treated with a unique mineral water that kills viruses and bacteria on contact. And they come in multiple sizes, colors and patterns so you can feel good about staying safe

Comfortable polyurethane weave

Soft headbands for easy wearing

Breathable and non-allergenic

Bathed in Japanese spring water and treated with all-natural, anti-microbial agent that kills up to 99% of viruses and bacteria

Washable and reusable for up to 30 days

Colors: Red, Red/White/Blue, Tennessee Orange, White and Black

Other colors and customization available upon request

Price starts at \$2.99 each
