

Your Company + BlueCoat = Protection

Why use BlueCoat

People hire us to solve real internal concerns and challenges. To improve their process. To prevent costly mistakes. To detect insider wrongdoing. In sum, they hire us to safeguard their business.

Our Practices

The team at BlueCoat supports Fortune 500 companies, financial institutions, Silicon Valley firms, academia, NGO's, with a special emphasis on mid-market businesses. We also work closely with law firms as an investigative partner.

Digital and traditional internal fraud investigations

Site and staff health security logistics

Remote workforce risk and cyber hygiene analysis

Creating custom insider risk programs, policies, guidelines and procedures

Evaluating and fine tuning internal risk capabilities

Design plan implementation

What sets us apart

Once our project with your firm is completed, we don't just fold up the tent; BlueCoat recognizes that issue management and results take time to process. We're here to support you, whether it's a

board presentation, staff meeting or training program – our team is there.

We believe in simplifying the cost of investigative support. We're here to meet your needs, listen to and address your concerns no matter the frequency or hour of the day.
