## T2 4TH

For Players of All Ages in the Denver, Co. Area Looking to Develop Their Game

### Fall Registration Now Open

7 on 7 teams are non contact skills position teams that focus on developing players on the outside, pinning wide receivers against corners, running backs against line backers, and quarterbacks against safties. Route running, pass protection, throwing, catching, and open field running are key.

Fall registration opens in August and games start the end of September.

# About Us

We do things a bit differently, and that's the way we like it!

## Our Team

Our staff aims to create extended opportunities within and beyond basketball. As the borders of basketball spread, so do the latitudes of exploring communities and cultures beyond the traditional experiences. The T2 staff are educators by trade and life coaches by passion. Our founders have over 37 years experience in Colorado's education system. We have utilized basketball as a conduit to create global leaders. Our staff combined, has coached over 31 professional and collegiate athletes. Those professionals have impacted their adopted communities on international levels. The T2 staff has played collegiality, professionally and coached from Europe to Mexico. Through this experience we engage Colorado youth and Colorado basketball at the grassroots level with an efficiency measured beyond the wins and losses. Although we relish our championships amidst the local club teams and at the national levels, our greatest prides resides in our ability to provide players the option to participate in venues no other program can provide.
