- The super-atmospheric pressure enables this portable pump to save at least half the time compared to conventional mini bike pumps.
- This Mini Bike Pump can be used to inflate bicycle tires during an emergency repair.
- The length of mini bicycle pump is almost as long as your hand. The lightest weight makes it almost weightless and extremely compact, which can be easily attached to the bicycle frame under the bottle holder with the bracket. It will be a great help on your journey to make your journey unhindered
- This mini air pump bike is made from high quality with parts. Higher life than plastic and allows a tight seal without air leakage. It is built to last, so you can have a safe and enjoyable ride
- Especially suitable for mountain bikes, racing bikes, electric bicycles as well as strollers and wheelchairs .
