Position: Upstream & Downstream

Specification

Reference OEM #: 9617178, 234-4012, SG454, SG236, 13474, 234-4018

Package Include: 4pcs Upstream & Downstream Oxygen Sensor O2 (2 Front+ 2 Rear)

Feature

- Our oxygen sensors are designed to determine the oxygen content of the exhaust gas and to improve the fuel efficiency of the vehicle.
- With high quality materials that ensure improved performance and long lasting durability.
- These sensors facilitate easy installation and are corrosion resistant.
- Tough and highly efficient oxygen sensor is a must for vehicles used for off road applications.
- Our oxygen sensor is one of the good choices that you can include on top of your list.
- Our top quality oxygen sensors can boost the optimum capacity of your car.

Note

Please check OE# with listed pictures above and make sure it fits you vehicle.

Warranty Details

All Maxpeedingrods products have warranty and the warranty is subjected to different item (unless otherwise stated).

If you have a problem with our product, please contact us via Email first.

Full details of warranty are as follows:

If Goods become faulty during the period of the warranty for reasons unconnected with your acts, omissions or misuse of the Goods, you must notify us in writing and/or by completing a warranty claim form (including a description of the fault) and return such Goods to us. Such Goods shall be followed the return procedure and returned to the manufacturer for review, testing and examination, and the manufacturer will not arrange collection for the product. Based on the manufacturers' opinion, we will be afforded reasonable opportunity and facilities to investigate any claims made under the Warranty.

The above warranty is given by us subject to you having no liability in respect of any defect arising from wear and tear, willful damage, negligence, tampering of the Goods, incorrect fitting of the Goods by you and/or a third party, abnormal working conditions, failure to follow our and/or the Goods' manufacturers' instructions (whether oral or in writing), misuse or alteration or repair of the Goods without our approval.
