

**Evidence A:** the Germ Defender air purifier is sold on [www.hypoair.com](http://www.hypoair.com)

The screenshot shows the Hypoair website's product page. The browser address bar displays "hypoair.com/shop/". The website header includes the "Hypoallergenic AIR" logo, navigation links for "TECHNOLOGY", "PRODUCTS", and "CONTACT", a "BUY NOW" button, and a "Cart empty" notification with a search icon. A yellow banner at the top right contains a "Home » Shop" breadcrumb. The main content area shows "Showing all 9 results" and a "Default sorting" dropdown menu. Three product cards are displayed in a grid:

- Germ Defender:** A white, cylindrical air purifier. Price: \$149.99. Button: "Select options".
- UV Boomerang 2500:** A sleek, silver, boomerang-shaped air purifier. Price: \$749.99. Button: "Add to cart".
- Air Angel Mobile:** A white, mobile air purifier with a wooden-texture top. Price: \$249.99. Button: "Select options".

# Evidence B: Germ Defender featured prominently on the product page, retail box, and product manual

The screenshot shows the product page for the Germ Defender on the website [hypoair.com/product/mg100/](http://hypoair.com/product/mg100/). The page features the Hypoallergenic AIR logo at the top left, with navigation links for TECHNOLOGY, PRODUCTS, CONTACT, BUY NOW, and Cart empty. The main heading is "Germ Defender". Below this is a breadcrumb trail: Home » Sanitization Products » Germ Defender. The product image shows the white cylindrical device and its retail box, which highlights "KILLS up to 99% of Germs, Mold & Aeroallergens". To the right of the image, the product name "Germ Defender" is displayed with a price of \$149.99. A short description states: "The Germ Defender & Mold Guard is our latest product." Below this, three key features are listed: "Sanitize Surfaces: including germs & mold", "Purify the air: germs, odors, PM2.5, spores, etc.", and "Safe & Hypoallergenic: No chemicals, no deodorizers, no ozone". A "Proprietary Tech: Hypoallergenic Air® Polar Ionization" is also mentioned. The page includes a "Night Light" dropdown menu set to "Choose an option", a "Germ Defender quantity" input field set to "1", and an "Add to cart" button.

The retail box for the Germ Defender is shown. It features the product name "GERM DEFENDER" at the top left. A prominent green badge states "KILLS up to 99% of Germs, Mold & Aeroallergens". Below this, a circular icon with "24/7" indicates continuous operation. Text on the box lists benefits: "Low Energy (2 watts)", "No Maintenance", "Neutralizes Static", "No Chemicals", "No Ozone", "No Fragrances", and "No Replacement Parts". At the bottom, it says "Purifies the Air and Sanitizes Surfaces".

The product manual for the Germ Defender is shown. It includes the product name "GERM DEFENDER" and the "Owner's Manual" title. A green badge highlights "KILLS up to 99% of Viruses, Mold & Aeroallergens". The manual is divided into sections: "University Proven Benefits" with a line graph showing "Mold & Germs" and "Dust & Spores (PM2.5)"; "Insert Country Specific Plug" with two steps: "Step 1: Insert 'Plug' side of plug" and "Step 2: Push down on plug firmly"; and "Insert into wall outlet" with instructions: "Install facing upwards or downwards" and "Upwards is slightly better for air quality". It also mentions "pre Solutions" and "Hyp's exclusive technologies estimated 2 billion cubic ft. Over the last 15 years the trusted solution for hospitals, universities, professional sports teams, aerospace groups, famous resorts, the world's tallest building, and tens of thousands of homes. Hypoallergenic". At the bottom, it provides contact information: "If you please contact us for instructions. Find the latest version of this manual: www.hypoair.com/mg100" and "Contact us for help: info@hypoair.com".

**Evidence C:** Germ Defender sold through key wholesale distributor Touch of Modern. Touch of Modern has 14 million users.
