

ABOUT US

Innovative

When you're dealing with a million moving pieces, your tools can be the difference between moving forward and spinning your wheels. At MMI, we're continually finding the best new technology in order to plan, manage and exceed your janitorial general labor craftsman needs whether it's for new, operating, construction, repairs/restoration or multi-phase onsite cleaning jobs.

Perfectionist

We are premier experts in the field and our standards are high. So high in fact, we're in a league of our own, moving our entire craftsmanship industry forward. MMI has become synonymous with the highest quality janitorial and general labor service provider for our clients. We offer an end-to-end client experience that includes seamless communication, on-site trained staffing organization, and solid, consistent, reliable quality service every time.

Professional

There are leaders, and then there's everyone else. At MMI, we take immense pride in driving the janitorial cleaning and general labor craftsman industry standards forward as, focusing on efficiency, quality and safety. With our extensive onsite cleaning experience with clients from various industries across the board, we will tailor a plan to meet your industry's needs.
