JIAHYJ Phone Case Compatible with iPhone 11, Slim See Through Cover Protective Silicone Gel Sturdy Bumper

- A beautiful transparent phone case for your Smartphone which perfectly combines high protection and stylish design
- The protective cover is made from a high-quality TPU silicone which is highly durable and maintains its shape
- These materials ensure that your mobile not only sits well and securely in the hand but also makes it easier to attach and remove the case
- The case exhibits superb workmanship, is perfectly tailored to your cellular phone and thereby ensures a secure hold and protection
- The case protrudes slightly over the screen to ensure that it is never directly in contact with surfaces --- this keeps your screen clean and free from scratches
