Description

Reviews (1)

- Toe separators for orthopaedic purposes Toe Spacer : Small (For pinky toe and smaller toes.) See sizing chart below.
- SEPARATES TOES: Helps realign toes to prevent the rubbing & friction of overlapping toes.
- CUSHIONS TOES: cushions corns and prevents irritation with stretchy, anatomically molded fit.
- SOOTHES SKIN: moisturizes skin by slowly releasing medical-grade mineral oil, vitamins, and botanicals.
