## We're honored to make a difference in the lives of our clients.

“...They volunteered to take over my case and accomplished in one year what I could not do in 13 years. They kept me informed every step of the way. Thanks to them my disability was granted back to the 2003. My family and I Thank You.. As I said many thanks. the work you did on my behalf is so much appreciated. As I wrote to Mr. Robert V. Chisholm my life has now changed with no worries or stress... Just like in the military you all are one heck of a TEAM.

“Undoubtedly you and your staff are the best of the best. I remember when you first contacted me and I asked you to represent me. You told me it was a hard case and it wouldn't be won overnight. It could take years. All I can say is I wouldn't have wanted anyone else to help me. You did exactly as you promised. You constantly kept me informed where my case was at. Your staff, everyone, including your receptionist, never once said “we're busy! Please call back later.” NOT EVEN ONCE. I could never say enough about CHISHOLM CHISHOLM & KILPATRICK...

David B. | February 2018

**I thought I could go it alone. I filed several disability claims through the VA only to be denied over and over again. I knew I needed help. I found that help with the law firm of Chisholm Chisholm & Kilpatrick. They filed for me and won. They were very helpful, respectful. A great team on my side. Thank you.**

Gene W. | July 2017

“Chisholm, Chisholm & Kilpatrick LTD are miracle workers! I retired as e-7 msgt in 1982 and was ordered to report to the VA dental clinic Jefferson barracks for follow up on shrapnel wounds to my lower jaw and healing to my upper mandible from a convoy vehicle accident. So I have been dealing with the VA all this time. I finally realized a lawyer was the only way to get some action on my claims. 35 years of being diagnosed finally with TBI, PTSD, anxiety, vertigo, hearing loss, and neuropathy I am getting some back pay to the tune of 180 k+ THANKS TO CHISHOLM, CHISHOLM & KILPATRICK !! HOOORAH !!
