

2018 LOST LANDS PINOT NOIR

\$56.00 / 750ML

wine club only

The 2018 Lost Lands is our rarest Pinot Noir. This wine is not a wine we produce each vintage, but rather a vineyard blend Pinot Noir that we create in particular years when we have extremely rich, structured fruit that produces wines of great depth and aging potential. In 2018, it ended up being based largely around the Chene Vineyard, an extremely low-yielding, biodynamically-farmed vineyard in Edna Valley grown on thin, volcanic soils which are rare for this area. To balance it's massive tannins, we married it with some of our richest barrels from Spanish Springs, and a small amount of Greengate Ranch for texture.

77 cases produced

Drink now thru 2025

Alc: 14.5%

Unfined & unfiltered
