Announcing the Certified Hospitality Valet Operator (CHVO).

The Certified Hospitality and Valet Operator (CHVO) certification is for professionals working in leadership positions in companies that are providing valet services to the hospitality industry, who possess the required experience or education. Individuals managing in-house valet operations for hospitality establishments are also eligible.

Requirements:

- 2 years of college education or 1 year of relevant work experience
- A passing score on the CHVO exam

To APPLY, send an email with CHVO in the subject line to info@internationalhospitality.institute, and attach your resume.
