Description

- Heats up quickly: The MiaoKa precision kettle boils water faster than the microwave or the stovetop methods so you spend less time waiting for your delicious hot beverages; kettle lights up with bright LEDs while the water is boiling so you know exactly when your water is ready.
- For all your hot water needs: Great for hot or iced tea, Coffee, instant oatmeal, baby bottles and more. Bonus tea infuser is included with purchase for brewing your favorite loose-leaf or bagged teas directly in the stain-resistant borosilicate Glass Kettle.
- Cordless pouring: the kettle easily lifts from its base for easy filling at the sink and graceful serving without the hassle of a power cord; it can also be returned to its power source from any direction, Great for right and left-handed users.
- Easy clean: Just unplug the kettle and wipe down with a soft, damp cloth. The kettle has a filter to keep the water/tea clean and only needs to be rinsed with hot water. The tea infuser can be washed in warm soapy water and rinsed thoroughly. This process is simple and easy and will allow you more time to enjoy your delicious cup of tea!
