DESCRIPTION

The **SlayIt™** thermogenic cream was created to help you burn more calories, drop more bloating, and get a better workout. Our customized cream works to heat your core while you workout, promoting higher sweat production.

WHAT DOES SLAYIT™ DO?

The SlayIt™ waist trimmer trains your waist into an hourglass shape while increasing your core body temperature to help you sweat more, burn more calories, and get a better workout overall!

ARE THE INGREDIENTS IN SLAYIT™ SAFE?

Yes, there are no known side effects to SlayIt™ - Because you are sweating more, though, you will want to make sure you stay well hydrated. A slight burning / tingling sensation is normal when applying SlayIt™ thermogenic cream as it increases temperatures. However, if you notice serious skin irritation or have any concerns, please consult with your physician.

HOW DO I USE SLAYIT™?

Apply the SlayIt™ cream on your stomach area before a workout and wrap the SlayIt™ waist trimmer as many times as needed for a snug fit. Work out as usual for best results. Take with MacaStack™ for improved detoxification and to reduce inflammation in the body.

IS THERE A MONEY BACK GUARANTEE FOR SLAYIT™?

If you are unhappy with the SlayIt™ products, return them within 14 days of receiving them for a refund in accordance with our return policy here: <https://www.gluteboost.com/pages/return-policy> <https://www.gluteboost.com>

WILL SLAYIT™ MAKE ME LOSE WEIGHT?

Yes, with diet and exercise SlayIt™ is a great weight loss aid!

HOW OFTEN SHOULD I USE SLAYIT™?

Use SlayIt™ with every workout.

HOW LONG SHOULD SLAYIT™ TAKE TO START WORKING?

You should notice the effects of SlayIt™ within the first workout. For weight loss, you should experience weight loss within the first 2-4 weeks depending on your starting weight.

DO I HAVE TO USE BOTH PRODUCTS AT THE SAME TIME?

You are not required to use the waist trimmer AND SlayIt™ Thermogenic cream, however, they work best when combined!
