Made my 4th grader very happy

Small... but surprising. I'm able to pack a sandwich, fruit, cheese, and a snack. I put a small bottled water and ice pack in the bottom compartment

Flashy floppy regrettable purchase

Reviewed in the United States on August 5, 2019

Color: Blue **Verified Purchase**

Pusheen is all this has going for it. Floppy, thin, lacks the constructive stability and insulation of even cheap Walmart kid bags... poor quality. Pretty color. Better used for other things maybe but not lunches.

It's cute. Structurally sound, but gets dirty looking.

Reviewed in the United States on April 25, 2019

Very cute. Decent quality but feel it's a little over priced for what it is. The colors are slightly off from the fabric and picture area but not enough to care. Inside is easily cleanable, the outside is starting to get dirty after 4 months with no luck getting the gray discoloration out, but structurally it is still in great shape.

Decent quality, bit small

Reviewed in the United States on September 16, 2018

This lunch bag should stand the test of the school year, but we have to work to get lunch to fit with an ice pack. Nothing to dock a star for though as you should read the measurements before you buy something like this.

An excellent smaller lunchbox

Reviewed in the United States on September 18, 2018

Color: Blue **Verified Purchase**

A well made soft lunchbox, with small lower pouch. can hold a small bottle (8oz) of water. Bigger challenges if you pack container lunches (think pasta or other items that need to be in

a hard container), but working well for the time being. Bottom compartment is also good place to label with child's name.

My daughter loves Pusheen

I found this lunch pail in Pusheen and was so excited because its not something you can find in the store. My daughter is in love with Pusheen so she was so excited when she saw I found a Pusheen lunch box. A great find.

Lovely lynch bag which my daughter chose herself as she likes the brand.

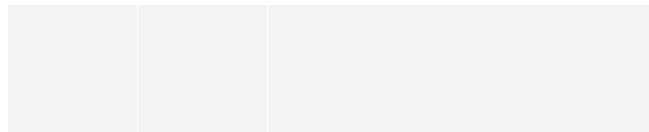

Nice colours & design.

Has 2 compartments which is handy as food can be separated. Box fits a nice amount of food.

In the pictures I have taken the top compartment has a flask, small sisterma bottle & crackers.

The second compartment holds s large banana and a standard size cake bar.

Zips are easy to open and close.

Lovely little lunchbox

8 year old daughter loves her lunch box. It's got plenty of room inside and the separate compartments make it that bit different. Water bottle dsnt fit but that doesn't matter to us.
