Very soft! I needed it to help me recover from surgery and has helped me a LOT. And also started a Pusheen collection from all my friends wishing me to get well! xD

Small throw blanket.

The blanket is super soft and wonderful. Stitching holding the edge binding us very weak and came off a few days into using it.

Warm, cozy and cute

This was a gift for a friend undergoing chemotherapy. She is usually cold but doesn't always have the strength to deal with heavy blankets. She loves this! It keeps her cozy without weight, is snuggly soft - and has Pusheen, the character we always message with. A little ray of sunshine for her during a tough time.

Soft. Great for a child.

A little smaller than expected, it just covers my 5'7" frame. But it is VERY soft. Edges are stitched on very well so it doesn't seem like it'll start ripping off. The whole blanket is of good quality. I love this.

Super soft and fun fleece blanket

Reviewed in the United States on June 23, 2019

Excellent quality, warmth, and size for the price. I have been looking for a fleece throw in the Pusheen print but larger than a baby blanket. This fits the bill. It is washable but I have not had to yet. Has covered finished edges and a tad heavier than some of the lighter cheaper fleece blankets I have; a few of which are a little shorter and edges that are finished with a loop stitch that eventually fray. Order processed and arrived perfectly in almost no time.

Soft. Lightweight. Large enough for a teenager or short adult. My son loves it.

Excellent, thick, still soft one year later

This is a great quality blanket - a better blanket than many, soft and thick. It has withstood a year of use and washings.
