- **Healthy cat!** Scratch board that SATISFIES your cat's natural scratching instinct and fits cats of all sizes and breeds. This is a great source of exercise, a very good stress relief that will improve your cat's overall health and balance.
- **REST PLACE!** Round-shaped corrugated cardboard scratcher is also a lounge bed. It is a perfect place for rest & play. Cat can scratch, play or treat it like a bed and lie on it.
- **Recyclable!** Durable cat scratching board, made of 100% recyclable cardboard and non-toxic corn starch glue, can withstand bites and scratches of pets and can last long.
- **DURABLE MATERIAL!** Made by high-quality corrugated cardboard. First layer of corrugated paper as a pressed unit, put together with strong glue bond to ensure the durability.
- **Dimension!** 17.22" x 17.22" x 6.11" Deep-dish, rounded shape, slump shape.
