0 Reviews

- **Healthy cat** scratch board that satisfied your cat's natural scratching instinct and fits cats of all sizes and breeds. This is a good source of exercise & cats' stress relief that will improve your cat's overall health and balance.
- **Unique design** Unique design makes it easier for cats to scratch cat scratching board. Board can be used for cat scratching. Contains catnip and naturally attract cats.
- **Durable** Durable cat scratching board made of 100% recyclable cardboard and non-toxic corn starch glue can withstand claws and scratches of cats and can last long. Made by high-quality corrugated cardboard. Five layer of laminated paper is a pressed unit put together with strong glue bond to ensure the durability.
- **Best & safe** Lounge-shaped corrugated cardboard scratcher is a perfect place for rest & play. It provides hours of fun and play time for your feline pets and reduce furniture damage caused by scratches. Apart from scratching if cats treat it like bed and use it.
- **Dimension** 23.42" x 46" x 31" Curve shape.
