Just what I expected!!

I bought these colorful flowers to hang on our pool deck to add a little cheery decor to the area. It's not a very big deck, so these will be perfect! They are exactly what I wanted. Beautifully painted, with a sturdy thickness to the metal. Please note that the description of one of them says its purple, but it is actually pink!! It didn't look purple in the link, and I was hopeful it was actually pink!! Very pleased with my purchase!
